

Watching paint dry can be faster than getting insurance approved.

## Not when you're with Fidelity Life.

We're a company with a history of innovation that's been serving the needs of Middle Americans since 1896. Our unique web-based underwriting process and rapid decision-making reduce approval time to days instead of months, allowing our select distribution force quicker commission payments and fewer administrative hassles. And your clients will benefit from the financial strength and security our A- (Excellent) rating from A.M. Best brings. We're Fidelity Life. And, if you're looking for an insurance company with a rock-solid past and a future filled with innovation, just call Marketing/Sales at 866-710-1013 or visit [FidelityLife.com](http://FidelityLife.com). We insure that it will be time well spent.
